-

Educational Background

Bachelor of Science in Cyber Security and a minor in Organizational Leadership
University of Charleston, West Virginia

Professional Experience

Trusted American Insurance Agency | Remote

Jul 2025 - Present

Cybersecurity | Marketing | Web Development
SkillBridge Intern

During my DoD SkillBridge internship at Trusted American Insurance Agency, I led cybersecurity initiatives, including the development of an RAG AI chatbot for policy and by-law queries. I engineered secure databases in Neon using SQL, Bash, PowerShell, and Python, and delivered monthly trainings on phishing, ransomware, cloud, and AI threats. Applied RMF, A&A, and T&E practices to strengthen governance, continuous monitoring, and ATO readiness.

Tactical Communications Command One | Coronado, Ca

Apr 2024 - Jul 2025

Training Petty Officer

Petty Officer Second Class (E-5, ET2) -USN

Orchestrated two full training cycles for 68 Courses of Instruction, four field exercises, and two culminating events; evaluated 116 Sailors on 213 C4ISR operations and maintenance scenarios with a 98% pass rate, producing 114 fully qualified communicators for SEAL Team assignment. Supported 30K+ Sailors/families via 312 hours on Victim Response Line, coordinated SAPR GMT for 55 Sailors.

SEAL Team Three | Coronado, Ca

Oct 2021 - Apr 2024

Tactical Communicator | System Administrator

Petty Officer Second Class (E-5, ET2) -USN

Provided secure SATCOM and COMSEC support for mobile units in alignment with DoD RMF controls and incident response protocols. Supported 140 users across five sites, ensuring A&A compliance and collaborating with stakeholders to sustain mission readiness. Enforced cybersecurity policies, performed T&E and baseline validation, and managed incident response to maintain continuous monitoring and ATO compliance.

Joshua D. Crockett

System Administrator | San Diego, Ca | (619)861-5154 | Crockettd.Joshua@gmail.com

Professional Experience (continued)

USS Bonhomme Richard | San Diego, Ca

Oct 2017 - Oct 2021

Work Center Supervisor

Petty Officer Second Class (E-5, ET2) -USN

Led 17 Service Members in quarterly Navy-wide maintenance documentation updates and inspections, ensuring 100% compliance across 840 RADAR and long-haul communication requirements. Oversaw 42 RADAR system repairs during a high-demand maintenance cycle.
